

# Secret Santa Generator

Brief, Wireframes, Prototypes and Advert

# Brief

The SeekingSanta application will allow users to create a list of participants for their game of Secret Santa and assign giftees to each player. To maintain the secrecy of Secret Santa the name of the giftee will be sent to each participant via text.

# Wireframes

A wireframe of a web browser window. The browser's address bar shows 'website.com'. The page content includes a placeholder for a logo, a heading, a text input field with the value 'JANE DOE', and three buttons: 'SUBMIT', 'CLEAR LIST', and 'CONTINUE'.
