

Secret Santa Generator

Brief, Wireframes, Prototypes and Advert

Brief

The SeekingSanta application will allow users to create a list of participants for their game of Secret Santa and assign giftees to each player. To maintain the secrecy of Secret Santa the name of the giftee will be sent to each participant via text.

Wireframes

A wireframe of a web browser window. The browser's address bar shows 'website.com'. The main content area features a placeholder for a logo, represented by a gray rectangle with an 'X' and the text 'LOGO'. Below the logo, the text 'Enter the name of the Secret Santa participants:' is displayed. Underneath this text is a text input field with the label 'Name' and the value 'JANE DOE'. At the bottom of the form are three buttons: 'SUBMIT', 'CLEAR LIST', and 'CONTINUE'.

The image shows a web browser window with a light purple header bar. The address bar contains the URL 'www.url.com'. The browser's navigation bar includes back, forward, and refresh icons on the left, and a star icon, a circular profile icon with the letter 'M', and a menu icon on the right. The main content area has a light orange background with a subtle pattern of white snowflakes. At the top center, there is a large green letter 'S' with a red Santa hat on top. To the right of the 'S' is the text 'eeking Santa' in a green, monospace-style font. Below the 'S' is a small illustration of a brown gift box with a red bow. In the center of the page, the text 'Enter your number' is displayed in a black, sans-serif font. Below this text is a light gray input field with the placeholder text 'Number' and the value '000 0000 0000'. Underneath the input field is a red button with the text 'Get your Giftee' in white. In the bottom right corner of the page, there is a cartoon illustration of a snowman wearing a blue hat and a black scarf.
